PEOPLE MAY FORGET

By Carlisle Morrison, *N. S. C. Sophomore Student*

I wonder why hours are spent in hanging holly and mistletoe,
In getting a tree perfectly straight in the corner of the living room,
In walking cold December streets after working all day.

I wonder why a million ovens are busy,
And a million houses smell so good,
And why money that took all year to save is suddenly spent.

I wonder why little girls are suddenly very kittenish,
And little brothers suddenly little angels.
I wonder why Daddy is smiling all the time!

Because it's Christmas!
Because one day long ago,
In a place far away,
A little boy was born and grew up such a man
That people wanted to remember Him.
So they said, "Let's have a holiday on the day He was born.
Let's take off from work and rest and relax
And think about Him."

But people may forget over the years,
As they do now and then when invited to a party.
The food and drinks are plentiful,
And they have such a good time
That they may forget all about the guest of honor;
They may forget to pay their respects.

And if this happens I suppose He feels a little hurt.
It is rather bad to be left out of one's own Birthday Party.

To Our Alumni:

MERRY CHRISTMAS in the name of the entire campus family of your Alma Mater! In the here and now, we have many reasons to be grateful, and much incentive to work for an ever-better future.

Christmas has long symbolized the very best of the highest hopes of mankind. Within the framework of the religious inspiration everywhere prevalent at this season, may we earnestly ask ourselves wherein we may intensify our effort to educate both the head and the heart.

We are vividly aware that this is the time for all that is finest in families. May you and your children experience the fullest measure of the supreme pleasure that flows from mutual devotion. May your sense of feeling for family include your College.

Sincerely,

JOHN S. KYSER
President

CLASSMATES AGAIN AFTER 20 YEARS

U. S. Army photograph—Courtesy Natchitoches Times

For the first time since their college days at N. S. C., almost 20 years ago, these three U. S. Army officers are again classmates, this time at the world famous U. S. Army Command and General Staff College, Fort Leavenworth, Kansas.

They were students together in 1940 at the College and have been united again at the U. S. Army College. They are, from left to right, Lt. Colonel Poole Rogers (B.S. '40), son of Mrs. H. J. Rogers, 1205 Maple Street, Winnfield; Lt. Colonel Hampden J. Murrell (B.S. '50), son of Mrs. A. P. Murrell, 402 Riley Road, Austin, Texas; and Lt. Colonel Edward E. Jordan, (B.S., '59), son of Dr. and Mrs. Edward G. Jordan, Robeline. Lt. Colonel Jordan was on leave from the service last spring to complete his degree.

BASKETBALL SEASON GETS UNDERWAY

Coach Huey Cranford and his Demon Basketball team have begun a strenuous 25-game schedule for the 1959-1960 season. In addition to the regular schedule, the Demons will participate in the Gulf South Classic in Shreveport during the Christmas holidays, which will mean an additional three games to be added to their contests.

The Demons opened the season with Nicholls State College, playing before their first home crowd on the N. S. C. court. In this game the Demons demonstrated they were working as a team without any particular star, with several members of the team scoring in the double digits.

Following the opening game, they embarked upon a rugged tour through Kentucky and Tennessee, meeting some of the outstanding small college teams in the nation. As we go to press, they are still on this tour.

The first team played on the tour was Murray State, and the Demons won that one by the score of 88-86, coming from behind in the second half. Two late field goals by Philip Haley and one by Jimmy Adkins gave the Demons the victory.

Four Demons scored in the two-digit columns, with Gene Wright leading the pack for a total of 28 points. He was followed by Weldon with 19, Haley 17, Skinner 14, Stewart 8, and Adkins 2.

The next team played was Western Kentucky's famous Hilltoppers, who are coached by Ed Diddle. Coach Diddle is in his 38th season at Western Kentucky, where his teams have won 693 games while losing only 245. With four of five regular starters from last season on his team, the Demons could not measure up either in height or shooting ability and went down to defeat to the tune of 89-60.

At Tennessee Tech, the Demons were edged out in a nip-and-tuck affair by the score of 84-82, bringing their season record to 2 wins and 2 losses. The game with Middle Tennessee State is to be played tonight. (Sorry we can't give you the score.)

After they return home, the Demons move over to Marshall, Texas, for a game with East Texas Baptist College, then meet Stephen F. Austin on the home court. Following a game at Louisiana College, the Demons meet David Lipscomb of Tennessee to wind up the pre-Christmas season.

Basketball experts have picked Louisiana Tech as the repeat champion in the Gulf States Conference, with Southwestern Louisiana Institute as the probable runner-up. Depending almost entirely upon sophomores and juniors, the Demons will have a good, well-balanced club, but are not predicted to have a championship caliber team unless there is developed some "dark horses," the potential of which may be in the group.

FOOTBALL TEAM LOSES LAST TWO

The Demons of Northwestern closed the football season with a record of four wins, five losses, and one tie when they dropped their last two scheduled games to Southwestern and Southeastern.

In the Southwestern game at Lafayette, the Bulldogs, playing before a homecoming crowd, completely dominated play in the first half, rolling up a 21-0 lead at half time. In the third quarter, the Demons came back with two touchdowns and two extra points to make their 14 points. The Bulldogs were still in there, however, and managed to make 13 points of their own in the second half to bring the final score to 34-14.

Against Southeastern, the Demons scored first and led for a while 7-0, but the Lions came back to make it 7-7. With the Demons adding six points to bring their total to 13, the Lions charged back for a second touchdown, followed by a two-point conversion, and took the lead 15-13. The Demons were unable to get into paydirt again, and thus ended the 1959 season.

The Demons will lose seven players by graduation this year. Included among the seniors are Dale Hoffpauir, Billy Booth, Bert Heckel, George Smith, Dean Smith, and Robert Powell, all of whom were stalwarts on the Demon team. Jerry Lott and Don Deen are also seniors, but because of injuries did not see as much service as the other seniors.

Other players on the squad who saw lots of action and turned in stellar performances were Larry Crowe, QB; Ralph Conrad, Jimmy Aldredge, Billy Calvert, and Lonnie Harper, halfbacks; Raymond Eddy, Robert Martin, J. M. Maricelli, and Charles Desadier, fullbacks; Claude Roberts, Edgar Johns, and Earl Phillips, centers; Jerry Didier, Gerald Yarbrough, and Dickie Mason, guards; Ferrell Yarbrough, Octave Bernard, and Jerry Fowler, tackles; and Johnnie Wall and Brooksie Gregg at end.

She is married to John Makar, B.S. '38, Natchitoches attorney, and they have three children, Jayme (a freshman at Oklahoma State University), Nancy, 9, and Charles, 5.

THE 1959-1960 BASKETBALL SQUAD is composed of the above 14 members. Reading from left to right, bottom row, are Buddy Jones, a junior transfer from Ruleville, Miss.; Larry Skinner, junior, of Belmont; Gene Wright, sophomore, Negreet; Ed Hunter, Junior, Coushatta; and Ronnie McNabb, freshman, Shreveport. '55, and Mrs. Tossin (Anice Jones, ex-55, of Shreveport) are both teaching in Jefferson Davis Parish. They were recent visitors in the Alumni Office.
